During the TV interview the unknown attractive male introduces his name as FINN HOLSTON, an up-and-coming actor he was tall with blonde hair and blue eyes, just the right amount of stubble on his perfectly imperfect face. He had a body to die for and a smile that could light up the whole world.

Sophie watches the whole interview and gets out the laptop and searches his name in a google search. She starts watching more films he was in and gets obsessive finding everything about who this guy is. After the water finally warms up, she gets into the shower with the warm water hitting her face, she daydreams thinking about FINN from the TV. Sophie pulls down the shower head and puts it between her legs suddenly - BANG! a knock on the door.

SOPHIE  
Please no pig man, please no pig  
man, not today..

Pig man aka Nigel, was one of those greasy, slimy guys, that did not wash much and had white bits in the corner of his mouth.

Sophie turns into her space and she see's him getting out of his car.

SOPHIE (CONT'D)  
Oh, for fuck sake, happy fucking  
Monday Sophie, fuck my life!..

Sophie always tries to avoid him as he makes her skin crawl, Sophie gets out of her car.

NIGEL

Wit woo!

Nigel is standing right by Sophie's car door waiting.

NIGEL (CONT'D)

You're looking especially hot today, let me take your bags for you.

SOPHIE

Thanks, I had a wash! I'll get them, they contain top secret items, but thanks.

SOPHIE (V.O.)

Christ I shouldn't of said that..

Nigel licked his lips

SOPHIE (V.O.)

Pig man had asked me out no fewer than a thousand times, he was bloody relentless! I just wish he would meet someone or get another job and move.

SOPHIE

My god just leave me alone  
(She said under her  
breath)

INT. WORK OFFICE ENTRANCE - MORNING

INT. WORK OFFICE - MORNING

SOPHIE (V.O.)

Work was pretty much the same as always, absolute chaos - but that is how I liked it.

The office was busy as normal, the clock hours go by and Sophie has a meeting at work at 12pm.

SOPHIE

Hope there's a fit guy coming today.

As Sophie winks at a work colleague, so makes her way to the meeting room.

INT. MEETING ROOM - MORNING

SOPHIE (V.O.)

To my astonishment there he bloody was! He was tall, muscular, so muscular you could see it through his tight shirt, bright blue eyes and just all round sexy as fuck!

CRAIG

Sophie?..

SOPHIE

Oh sorry was in my own world the.

SOPHIE (V.O.)

This did not happen often but I loved it when it did. One of my fantasies was being fucked by a stranger in the office!

CRAIG

Please take a seat.

Sophie sit's down and starts to arouse herself, while Craig is having a conversations in the meeting.

SOPHIE (V.O.)

God I wanted him get up and move the desk out of the way, to pick me up and throw me on it. I wish he would kiss me and gentle rub my soaking wet pussy... What turned me on more was the fact I was wet playing with myself and looking him straight in the eye with him having no idea what I was doing.

CRAIG

So what do you think Sophie?

SOPHIE

Um..Yeah I think that is a great idea?..

SOPHIE (V.O.)

I hope that was the right answer? I have no idea what he was saying! I been fantasizing in fucking dreamland.

CRAIG

Then it is settled, thanks for meeting hope we do this again sometime.

SOPHIE

Yeah thanks..

Sophie smiled and leaves the office.

INT. COCKTAIL BAR - NIGHT

SOPHIE (V.O.)

After work I very often met up with Cara. Lisa and Kelly for a few glasses of wine. We would normally just talk rubbish and moan about men and life in general.

KELLY

So did I tell you what john did last night?..

CARA

Go on do tell..

KELLY holds her hand in the air, flashing a big diamond ring on her finger.

LISA

Oh my god that is amazing!

KELLY

Congratulations, I think I am going to hint to Dave to get me one also.  
(Laughs)

SOPHIE (V.O.)

All three were cringingly loved up with their partner's, don't get me wrong I was happy for them, I just did not want to hear about how wonderful their men were every two bloody minutes. What didn't help matters was that I just could not even find anyone decent to hold a conversation with, never mind a relationship. I wanted a knight in shining armour and all I ever get is a twat in tin foil.

SOPHIE

Show me the fucking gin girls!..

CARA  
Already ordered..

Cara passes a Ice-cold glass of gin to the girls.

SOPHIE (V.O.)  
Cars was the nicest person you could ever meet, she would do anything for anyone and had a heart of gold. She did love getting involved in other people's business though, especially mine. Cara had always gotten screwed over by men, she like me had a colourful and unlucky love life but recently she met the most incredible man and was hopelessly in love.

SOPHIE  
So how was everyone's day today?

LISA  
I've been at the spa all day, Dale booked for us to go as a surprise.

SOPHIE (V.O.)  
I loved Lisa to bits but she always jumped from one relationship to another, it was hard to take her seriously. Every man she met was "the love of her life".

SOPHIE  
Check you out! That sounds amazing. Guess what? I saw the sexiest guy today at the office, I wouldn't say no to that.

KELLY  
SO.. what did you do about it? Did you ask him for his number?

SOPHIE (V.O.)  
Kelly was very direct, she could never get it into her head that I was quite old fashioned in some ways and would never approach someone for their number, they always had to ask me first. She met David at a work's conference, she was the one to approached him. The girls had all the same opinion about me, that I was too picky!

SOPHIE

God no!... that would of been unprofessional!

SOPHIE (V.O.)

As the words came out of my mouth, my subconscious told me I was a bloody hypocrite! Like masturbating at work was not unprofessional. Anyway I felt a swift change of subject was in order.

SOPHIE

So..How is the wedding planning going Lisa?

LISA

Oh, it's going really well, hit a few snags but nothing that couldn't be sorted. I just can't wait to marry him and have all eye's on me. You know I have had everything planned since I was 4, just need to go dress shopping now, which I wanted to speak to you guys about. How are you all fixed for the first Saturday in March? I know it's a few months away yet but I know how busy you all are, well apart from you Soph.

SOPHIE

Is that a nice way of saying I have no life Lisa?

SOPHIE (V.O.)

I thought by changing the subject it would give me a rest from the constant reminder that I have no life and I'm totally undateable!

LISA

Have you found a plus one to bring along yet Soph?

SOPHIE

Just for the record yet again girls - I don't need to bring a man, I am quite capable of coming on my own. Besides there is only one man for me now and he is unobtainable, unless I pay £250 to meet him in two weeks, he won't even know I exist!

All three of the girls raised their eyebrows towards Sophie.

KELLY

Sophie what the fuck are you on about now, You're noting hiring a male escort to come along are you? Cause that's just a whole new level of desperation.

SOPHIE

No you bell end! Finn Holston, I saw him on TV and literally he is the most amazing man I've ever laid my eyes on. He's the one, I know he is, the £250 is for a ticket to go and meet him in London at the Comicon.
